ATG TRUST ACQUIRES LAND TRUST BUSINESS FROM NORTHERN TRUST COMPANY

ATG Trust Company, a wholly owned subsidiary of Attorneys' Title Guaranty Fund, Inc., has acquired the land trust administration business of the Northern Trust Company. ATG Trust will operate the land trust administration business from Northern Trust's Lake Forest Deerpath financial center. ATG Trust will also make its §1031 Starker Exchange services available from this location.

We are proud to welcome Peggy Peters, a Northern Trust Vice President and Land Trust Officer who has joined ATG Trust in the same capacity. ATG Trust and Ms. Peters will provide seamless continuity to Northern Trust clients who have land trusts, and plan to grow this business beyond its current scope.

If you or your clients own real estate or investment property, you may benefit from land trust or §1031 Exchange services. Please contact Ms. Peters:
