ATG LegalServe and It's Your Serve Join Forces

ATG LegalServe Inc., a subsidiary of Attorneys' Title Guaranty Fund Inc., and It's Your Serve Inc. have combined to create a litigation support company offering services to lawyers and law firms throughout Chicago and beyond.

Effective Feb. 11, the new organization is doing business under the name ATG LegalServe. Each organization will remain at its current downtown Chicago office until relocating to a new corporate headquarters.

The accurate and timely service of litigation documents as well as the delivery, retrieval, and filing of documents by companies such as ATG LegalServe and It's Your Serve are essential to the legal process, the companies said in a release. In addition to process serving, the two companies also provide related services such as skip tracing, background checks, surveillance services and court filings.

"With the blending of the two companies, the new ATG LegalServe will offer a full range of process services with the benefit of a greater reach, a bigger and more diverse client base, and more hands-on experience," said Arden Mner, current president of ATG LegalServe.
